Giano Bifronte Agriturismo was built out of the renovation of a rural building from the early 900s with 11 annexed hectares of land, most of which are cultivable.

From Summer 2014 it's provided with a swimming pool.

It takes its name from the Latin God (Janus Bifrons) that refers also to the name of the place where the Agriturismo is located: "Montegiano" (literally The Mountain of Janus), hamlet of Mombaroccio.

Situated on the hills of Pesaro (11 miles) and Fano (8 miles), just 20 minutes by car from the sea, **Giano Bifronte Agriturismo** is the best place to enjoy a wonderful view in a peaceful and quiet landscape. In its surroundings you can visit places full of history and culture (such as the medieval towns of Candelara, Novilara, Cartoceto and Montegradolfo) and you can taste the local cuisine and some of the typical products of the area. Just a mile away from the Agriturismo, lies the Beato Sante Oasis, with its monastery tucked amid greenery, in a forest with several hiking trails. Furthermore, the Carignano Thermal baths are just 5 miles away.

From the **Giano Bifronte Agriturismo**, you can easily reach some of the most important tourist and cultural sites in the area such as Gradara (18 miles) and most of all Urbino (at just 20 miles).

As the agriturismo, the name of each room refers to different Latin gods.

The rooms are composed by "poor art" furniture made of wood or wrought iron and they are all equipped with modern kitchens.

Each room has an independent entrance, if necessary they can be connected
